### **About Rosemary:**

Rosemary spent her childhood in the shadow of Mt. Lassen Volcanic National Park, surrounded by rocks from the center of the Earth that sprang forth when Mt. Tehama erupted. She grew up on what was once Native American land; there was an Indian ritual and burial site on the 155 acres. Every moment of her childhood was spent collecting rocks, especially the volcano's obsidian, and some very amazing arrow heads. Rocks called to her, they twinkled, and they asked her to pick them up, and she did.

Rosemary is a Certified "Melody" method Crystal Healing Instructor, Master Crystologist, Reiki Master and has studied Therapeutic Healing Touch methods. She has been studying Crystals & Healing for over 20 years and has a Crystal Healing Practice and a line of crystal essences called Crystal Nectar in Portland, Oregon. She offers personal healing sessions, workshops (including the "Melody" certification courses), crystal readings, and meditation classes.

## Monthly Crystal Classes

Coming in  
September:  
Fluorite

Bring order to chaos of any kind. Deep purple, violet, sky blue, sea green, sunny yellow, and crystal clear—the mineral fluorite comes in all colors. Many types of fluorite even glow under ultraviolet light. They're "fluorescent." The many colors of Fluorite, according to healers, have different mental healing specialties. Green can energize and still the heart and mind, and alleviate emotional trauma. Blue for inner peace. Purple is for focus and helping to get one out of a mental rut. Yellow is for comprehension and group communication and dynamics. White is for creating pathways between the individual and universal spirit.
